Impossibility

Electra

Girl

go and catch a falling star,
run and touch the mountain peak.
fly and enjoy the company of bird.

Girl

you dare not cheated yourself.
you dare not cheated your life.
it`s enough, don`t suppressed.
open your eyes, it`s not late.

Girl

are you crying?
are you crying for your past?
do you think your time has gone?
no, it`s your turn to move on.
look forward don`t look behind.
know thyself and focused womanhood.
